

DR. GRABAND & PARTNER GMBH

CERTIFICATE

FSCAE

Dr. Graband & Partner GmbH hereby certifies that

Sebastian Dillhage

has successfully completed the Functional Safety Certified Engineer Development Workshop and fulfils the qualification criteria for Functional Safety Certified Automotive Engineer (FSCAE)

ISO 26262

The participant proved the skill to interpret the standard and to apply it to development projects. This includes knowledge of the objectives of safety management, familiarity with requirements for the concept phase, accomplishment of hazard analysis and risk assessment, the determination of safety goals, and their pursuance in the development of items, systems, hardware and software. This also comprises the knowledge of the relevant supporting processes, safety analyses and ASIL tailoring.

CERTIFICATE N° 3322/C1/129/22
